

WEJA School Committee Policy Questionnaire

The Worcester Education Justice Alliance (WEJA) is a group of students, parents, teachers, school staff, and community members standing together to fight for education justice in Worcester. We are a chapter of the Massachusetts Education Justice Alliance (MEJA) and advocate for more educationally just policies at the state and local level.

These questions were created to address potential and important policy issues that future school committee members may have to vote on. Therefore, just as with how you would have to vote on these types of policy issues, we ask you to share how you would vote on these issues. Please answer each question by selecting either yes or no. But we also invite you, if you so desire, to explain the reasons for your yes or no "vote" so that you may address the complexities of the issues.

Please complete this questionnaire by Sunday, October 10th at 5:00 pm. We will be reviewing and compiling your responses and sharing via our email and with the media in the weeks that follow leading up to the election.

Please provide your full name. *
